OBJECTIVE

I've obtained a wide range of art and media skills in my life, most notably cartooning, illustration, videography, and writing. My ultimate goal is to work as a freelancer in film, animation, and comics. Until then, I intend to work with local media production teams to do creative projects for the community, to learn the industry and to hone my crafts.

EDUCATION

LANE COMMUNITY COLLEGE - 2010-2014
Multimedia Design - GPA: 3.60
WINSTON CHURCHILL HIGH SCHOOL - Class of 2010
GPA: 3.84

WORK EXPERIENCE

STAFFORD VIDEO PRODUCTION - 2014-present
As the sole employee since 2015, I have experience with both live and scripted video shoots. My office hours are mainly made up of video/audio editing, transferring analog media to digital formats, and some graphic design. I've also worked one-on-one with a wide range of clients.

LCC MEDIA SERVICES - 2013/2014
I've gained experience in producing content for clients. This includes writing, directing, shooting, and editing both scripted and live media productions.

ROADRUNNER STUDIOS INTERNSHIP - 2014
Compiled and edited interviews for full-length documentary, trained at miking, mixing, and recording vocals and drum kit.

OREGON ART SUPPLY - 2014
Worked registers, restocked and maintained art supplies, cleaned, and helped customers with art-related questions.

NOTI COMMUNITY CENTER CARTOONING WORKSHOP - 2012
Introduced grade-schoolers to the basics of cartooning in a 4-day workshop. I touched on character design, writing, and working in the comic strip medium.

VOLUNTEER SERVICES

OREGON COUNTRY FAIR - 2008-2013

As a member of the Art Crew, I use my artistic talent to work with teams on designing, building, and maintaining creative and practical items throughout the fair.

FERN RIDGE PUBLIC LIBRARY - 2005-2009

Shelved fiction/nonfiction books, audiobooks, DVDs, and magazines.

ALGEBRA 1 TEACHER'S ASSISTANT, Churchill HS - 2008

Helped grade homework and quizzes during class hours, and gave students support with simple algebra problems.

FORD FAMILY FOUNDATION - 2009

Joined 6-month Leadership training workshops.

SKILLS

TECHNICAL TOOLS -see online résumé for more in-depth list-

- Various Sony/Panasonic camcorders
- Adobe Suite CC, CS6
- Final Cut Pro 10
- Wacom Cintiq, Intuous
- TASCAM
- HTML/CSS (HTML5/XHTML)
- 8mm/16mm film projectors
- Various analog decks (U-matic, Betacam, DVcam, VHS, etc.)

ARTS/MEDIA

I cover a wide range of digital media, including logo design, web design, most aspects of video and audio production, and animation. I am especially efficient in editing.

I have a knack for cartooning, illustration, and writing. I have experience with most drawing utensils, and I have a good eye for composition. I'm exceptional at reading and writing.

OTHER

I have some experience with a wide range of physical work, including carpentry, gardening, interior and exterior house painting, and landscaping.
